

1ST Taipei Medical University - Magnetic Resonance-
Guided Focused Ultrasound (TMU-MRgFU)
International Symposium

TREATMENTS WITH MR-GUIDED FOCUSED ULTRASOUND

Dates: February 19th, 2023

Venue: Taipei Medical University International Conference Hall [16F, Comprehensive Medical Building (rear building)]

TIME	TOPIC	SPEAKER	MODERATOR
09:00	Opening	Prof. Yong Kwang Tu	
09:10	Current Status, Challenges, and Future Perspective of MRgFUS BBB Opening for Neurological Disorders	Prof. Jin Woo Chang	Prof. Yong Kwang Tu
09:50	MR-Guided Focused Ultrasound (MRgFUS) Treatment for Management of Organ-Confined Intermediate Risk Prostate Cancer (OC-IRPC): Evaluation of Safety and Effectiveness	Dr. Qing-Song Yang	Prof. Shauh-Der Yeh
10:30	Coffee Break		
10:50	The application of MRgFUS on degenerative spine disorders	Dr. Meng Huang Wu	Dr. Jia Lin Wu
11:30	HIFU for Parkinson's disease and X-linked dystonia-parkinsonism: The Philippine experience	Prof. Roland Jamora	Prof. Chaur Jong Hu
12:10	Lunch Break		
13:30	The application of MRgFUS in the treatment of Parkinson's disease and the comparison with deep brain stimulation.	Dr. Chien Tai Hong	TBA
14:10	The application of MRgFUS on cancer treatment	Dr. Yi Chieh Tsai	Dr. Hsin Lun Lee
14:50	Technical considerations of MRgFUS in Neurological disorders	Dr. Wei Lun Lo	Prof. Chien Min Lin
15:30	Closing	Prof. Chien Min Lin
